the prehistoric visit

day i was sitting on the front porch at my house talking to a Noun on my cell phone Conjunction
all of Adjective sudden the house turned at least about Number times. When it stop i said the cant
be Place at all. I was in a Adjective Adjective climate with Adjective on the ground
outside talk about werid. I didnt have my cell phone in my hand like i did i look all over the small shack rater
than Adjective Place but could't find it. Adjective took a step outside and read the
newspaper it was Number in town called Place . Some of my family members live here
 Adjective started running around Conjunction i bumped into my great grandma. She was pretty and
she was talking to Adjective guy who i thought was my great grandpa but maybe not then someone was
shaking my Conjunction then i wake up it was just Adjective dream. Adjective .
