## Baseball Game

It was my turn to bat. The picther threw a $\qquad$ curve ball that went right through my $\qquad$ .

The next ball was too $\qquad$ for me to swing so I let it go and it was a ball. The next ball went right down the $\qquad$ and BAM!, I hit it as hard as I can and started $\qquad$ to first base, then I
$\qquad$ to second base, I barely made it to second base so it was good that $\qquad$ head
first. After my base hit, $\qquad$ hit a line drive to $\qquad$ left field and I started to down to third base and stayed there. $\qquad$ went all the way to second base. The next
batter struck out and there was two outs, that's when we started to get $\qquad$ . But, luckily then next
batter was the team captain, $\qquad$ . He hit the ball to $\qquad$ right field, that gave me enough time to go all the way to home base and there it was score one for my $\qquad$ .
