The black saturn and the flood

_____ Planet _____ you saw me eating alone,

Without a dream in my heart,

Without _____ Food _____ of my own.

_____ Color _____ Planet _____ you knew just what I was there for,

You heard me saying a prayer for,

An _____ Food _____ I really could care for.

And then suddenly appeared before me, the only one my arms could ever hold.

I heard somebody whisper 'dingringa';

But when I looked, that _____ Planet _____ had turned to a flood!

Oh oh oh...

_____ Color _____ Planet _____ now I'm no longer alone,

Without a dream in my heart, without a flood of my own.

You better shape up,

'Cause I need an Food

And instead I got a flood.

You better shape up;

You better understand,

To my heart I must be true.

And this flood and me are through!

We go together,

Like Evil Tee and Bulba Sore, Like Bulba Sore and Evil Tee.

Remembered forever,

As knifu knifu knifu vilenet-vilenet boom de boom de boom.

Well - a well - a well - a huh...

Tell me more, tell me more,

Does Planet have rings?

Tell me more, tell me more,

Is the flood a joke?

Tell me more, tell me more,

Where is my sodding Food?

Eating dreams ripped at the seams, but oh those eating nights.
