"Are you ready?"; Jenna asked. "Wait, I can't get you pregnant..."; Kodi said "Don't worry. We are just doing anal ."; Jenna said. "Okay."; Kodi said. He jumped on her and began to poke at her ass. He was getting pleasure from it.

Everytime he pokes at the hole, his cock gets hard as hell. "Okay mom...";

He put it in and moaned. Sliding in her ass was the best feeling ever.

The walls were wet and he found her G-spot. "YES KODI!!!!!!!!"; Jenna screamed. He rubbed to that point on her G-spot. In and out. He pushed in further and out. He pushed until everything was in.

He touched her wall making her moan. He pulled out and pushed in.

He cummed so hard it touched the wall.

The cum was about 20 seconds long.

He pulled it to the tip and pushed it in a little to his foreskin. They both fell asleep in sheer pleasure.
