# New Kid In School

I was walking in the \_\_\_\_\_  
\_\_\_\_\_ when I saw these kids picking on another kid. He seemed new to the  
\_\_\_\_\_ and \_\_\_\_\_. I \_\_\_\_\_ up to him and asked what his name was. His name  
was \_\_\_\_\_. \_\_\_\_\_ looked like he was about to pass out. There was sweat coming out of  
his mouth and falling on my legs. I tried to invite him after school to play \_\_\_\_\_ with us. He simply  
shook his head no and ran down the stairs. \_\_\_\_\_ every which way. I find him at lunch and ask  
if he wants to eat with us. He crawls under the table and yells. While \_\_\_\_\_ outside, I saw him  
\_\_\_\_\_ in \_\_\_\_\_ and eating a bagel. I asked if he wanted to play in the  
playground with my friends. He still shook his head and coughed. When we had to go to the \_\_\_\_\_ I  
offered for him to read with me. He looked confused and went angrily running to another shelf. I was both  
curious and angry. Finally, I looked at him. He looked Italian and he probably couldn't speak English. It could  
mean he is deaf. I go to him and ask, "Italiano?"; He replied, "What the \_\_\_\_\_? I just like being alone  
! Goodness sake."; He runs out the door and find my best friend heading to the \_\_\_\_\_ to play some  
baseball. I was \_\_\_\_\_ the whole way what is wrong with that kid.
