The day the zombies came

Late one night while i was sleeping, a _____Adjective_____thing was happening. Zombies were _____Verb ending in ing_____from the grave. What is worse then that? Zombies that were craving _____Body part (plural)_____there eyes were set on one particular person... ME!

About why they wanted my _____same body part (not_plural)_____ im pretty sure it is because i am the school geek.They probably thought that smarter people's _____same body part (_plural)_____tasted _____Adjective_____. Fml.

But i had the odds on my side because the day before this happened, I invented the super dooper Zombie _____Verb ending with er for ex._kicker_____Number_____. When you shoot it, it turns zombies into _____Plural noun_____!

So that night i had the funnest video game i have ever played (called _____Verb_____the zombies) become real!

It was so fun because i found enough _____Noun_____for a day at _____Location_____

Taste

beer, you dumb zombies! (well, i do drink beer! Especially _____Type of beer_____Do not write anything here!_____).
