Dream Song 14

Life, friends, is boring. We must not say so.

After all, the Something enormous flashes, the great Something enormous yearns,

we ourselves flash and yearn,

and moreover my mother told me as a boy

(repeatingly) "Ever to confess you're bored

means you have no

Inner Resources. "I conclude now I have no

inner resources, because I am heavy bored.

Something that bores you bore me,

Something that bores you bores me, especially great Something that bores you

Something that bores you bores me, with his plights & gripes

as bad as Achilles,

who loves Something that bores you and Adjective Something that bores you which bores me.

And the Adjective hills, & gin, look like a drag

and somehow a dog

has taken itself & its tail considerably away

into the mountains or Something enormous or Something enormous leaving

behind: me, wag.
