# There Is Something In My Closet

There's something in my closet I don't know what it is. It burps and growls. I think I might puke. My mother doesn't believe me and states I need some help, but really there is something in my closet. When I ever I try to sleep I here my video games going off. I'm to scared to open my closet to get to my clothes. I have been wearing the same clothes for many many days. My father tells all his friends that I'm a durty monkey. My \_\_\_\_\_ Animal \_\_\_\_\_ sleeps by the closet door sniffing under the door. I know there is something in my closet. I know I know I know. It sounds like an animal of some mutan planet. It howls, barks, and farts. I have no idea what it is , but it's all animals in one. My mother blames me for eating all the food, but I didn't because I don't like my moms yogurt. Today I'll finally open the doors. Right NOW. "Creeeeekkkk"; It's a \_\_\_\_\_ Animal \_\_\_\_\_ \_\_\_\_\_ Animal \_\_\_\_\_ with \_\_\_\_\_ Animal \_\_\_\_\_ ears and a \_\_\_\_\_ Animal \_\_\_\_\_ feet and a hairy snout. It was a mutan \_\_\_\_\_ Animal \_\_\_\_\_. I was right, now it's gone.
