## The animals in that country

In that country the animals
have the faces of people:
the ceremonial
cats Verb ending in ing the streets
the fox run
politely Preposition earth, the huntsmen
standing around him, fixed
their tapestry of manners

the bull, embroidered			
with blood and given			
an elegant death, trumpets,	his name		
stamped on him, heraldic b	rand		
because			
(when <u>Pronoun</u> roll	ed		
on the sand, sword in his he	eart, the teeth		

in h	n hismouth were human)	
he i	ne is really a man	
eve	even the wolves, holding resonant	
con	conversations in their	
fore	orests thickened with legend.	
In t	n this country the animals	
hav	nave the faces of	

animals.			
Their eyes			
flash once in car head	lli ahte		
nasii onee iii ear neac	inginis		
and are gone.			
Their deaths are not e	legant.		
They have the faces of	of		
no one			
no-one.
