Dear $\qquad$

I have a $\qquad$ that likes to $\qquad$ and run and $\qquad$ after mice. It will zoom across the room and $\qquad$ across the floor when I play with a $\qquad$ with it. I love my $\qquad$
$\qquad$ It is better than all other pets because it is cuter than all other pets. I like pets, but my $\qquad$
$\qquad$ is the best!!! You should come $\qquad$ me sometime!

Sincerely,
$\qquad$ .
