## The mom who needed aspirin and the boy who gave her moldy cheese

| My mommy needsNoun_    |                | but i dont know what that is. i handed her a |                |             |               | Noun but she wasnt |                  |  |
|------------------------|----------------|--|----------------|-------------|---------------|--------------------|------------------|--|
| so i                   | gave her a _   | Noun   | _but she still | l wasnt     | Adjective     | so i gave          | e a Noun         |  |
| but she still wasnt    | Adjective      | so i gave                                    | a Noun         | but she     | e was getting | Adjectiv           | e so i gave her  |  |
| aAdjective             | Noun           | but when i                                   | i did that she | got pist. s | o wacked hin  | n in the           | Body part . then |  |
| he had to go to the ho | ospitle to fin | d out he had                                 | a broken       | Body part   | ·             |                    |                  |  |
|                        |                |  |                |             |               |                    |                  |  |
