A weird letter to a loved one.

Dear Name of the opposite gender from yours.

I'm on my Furniture writing to you now. It feels like yesterday that you Past tense verb my Body part . I wish you were here to see the Plural noun outside, they're in full bloom. When you return from Location I will buy you a Noun to show you my Emotion/feeling (i.e. love hate fear etc) for you! Oops I just spilled Adjective Liquid on my shirt, it's so Adjective . Sorry! Exclamation I left the Noun on and it's on fire now. What was your favourite food again? Was it Food ? Well I wish you could see our Adjective children growing up. Male first name is Adjective . He has your Adjective Adjective hair and your Body part . Samantha is a Adjective girl. She has your Adjective eyes and my Body part . They are Number and Number now. The Animal Male animal name got hit by a Noun last week and was breathing Adjective . Liquid was leaking from him so we took him the the Service building (doctor mall gas station vet restaurant etc) and they said they could treat him for Number dollars but i said no, because it was too much money to pay. I hope you are okay, I love you, I miss your Adjective Body part and Adjective voice. You are Adjective .

Love, Your name or name of opposite gender of the first name. .
