Letter from Summer Camp

Dear Mom,

How are you doing? I'm Adjective. Summer camp is Adjective! We get to go Noun back riding every day! A camper named First name was really Adjective to me, I think (s)he should be my Noun. anyway, My counsellor, First name, took us on a hike. The view was really Adjective! I share a cabin with Number other Plural noun. There's also a camper named First name and (s)he is so Adjective! I found a Adjective Noun the other day!

See you soon!

Mandy.
