Creepy Love Letter

Do you think we could go to the <u>Event</u> together? I know I'm not as <u>Adjective</u> as <u>Celebrity</u> . And I can't ______ like ______. But, baby, if you ______ with me I'll rock your world like its Year. Last night I was listening to <u>Song title</u> and I realized how <u>Adjective</u> your eyes are - I know that Maybe if things go well we can go to ______next month. And if that goes well maybe we can go see Theatrical play my Relative is doing it and my Relative said it was amazing - for low budget community theater. I hope it doesn't freak you out that I'm asking all this --- But the idea of asking you fills me with ______ and makes me want to _______ verb ____.

I think you should know I want <u>Number</u>. <u>Noun</u>. And maybe a pet <u>Animal</u>. But of course that's after we get married. I saw this house that I thought would be perfect for us --- it had <u>Number</u>.

Have you ever heard <u>song title</u>? I'm listening to it right now and I think it should be our song. I can't wait to <u>verb</u> with you.

So, anyway, if you don't find me <u>Adjective</u> or <u>Adjective</u> and if you maybe find me kind of sexy

like <u>Celebrity</u> and charming like <u>Celebrity</u> then I'd like to go <u>Verb ending in ing</u> with you.
