the bully

there was this _____^{Noun} and he use to always bully me and i got tired of it so i told my _____^{Noun} it wasn't a very smart idea my dad said he would take a rifle and shoot him right in the _____^{Body part} my mom said she would step on his _____^{Body part} for five hours straight my parents where useless so i went to the _____^{Location} staring at my shoes not knowing where i was going i met some gangsters and the gang beat the bully cause the felt bad for me then when i came back i saw the bully's dead body so we were going to throw it in the river but a cop car came by and of course i went to juvy and the gangsters went to jail and i learned my lesson.
