GOHAN'S POV:

"Nava... Your boobs are like, making me... cum..."; I Moaned groaned or whimpered.

NAVA'S POV:

Gohan's pre dripped onto my chest.

I licked it off, savoring the taste.

"I love the taste of your cum... Salty..."; I said licking more of it off.

"You want more?"; Gohan said to me, bending over to me.

"Oh, yes..."; I purred and licked his cheeks.

He put his cock in my mouth. I sucked it until he came. He tasted awesome.

"Where do you want me, Nava?"; He asked me.

"Do me the same way as you did Aleu."; I said.

I got on all 4. I walked around him like a cat.

He grabbed my ass and began prodding at it.

"Honey, stop teasing me..."; I said wrapping my big bushy tail around him.

"But, you look... small... are sure?"; Gohan said.

Fuck yeah I'm sure. I dont fucking care if he is _____ Number _____ inches thick! I want him to pound my ass, and my pussy.

His cock was soft. I always wanted someone to pummel my ass.
