Twilight

Twilight is a(n) Adjective book. I feel so much Emotion for it. My favorite part is when Bella has to Verb and then Edward Present tense verb. She feels Adjective and the Cullens decide to Verb. Then Jacob and the other Adjective Animal plural try to Verb with a Noun. Soon all the Plural noun in Forks are Verb ending in ing like they have lost their last Noun. Next thing you know, Bella falls down and hurts her Body part. She is afraid that a(n) Adjective Supernatural creature will try to Verb and that might make Edward Verb. Fortunately, by the end everyone is Adjective.

I wish that Celebrity name were in the movie. I am totally Team Twilight character name.
