## Making A Snowman

Before you even think about making a snowman, you have to have it snowing at least 3 inches. $\qquad$
kids make it snow by putting a spoon under their $\qquad$ pillows and wearing their care bear pajamas
inside-out. So, when you have that done, you are all set. Now first, you start out by $\qquad$ the bottom.

You $\qquad$ up a snowball and $\qquad$ it in the snow until it $\qquad$
into a $\qquad$ ball. Next you do the same thing but make the ball a little bit $\qquad$ for the middle. Now, you do the head by doing the exact same thing but making it as $\qquad$ as your head. So,
by now, you should have 3 $\qquad$ snowballs from $\qquad$ to $\qquad$ . Now, its time for the face.

Get a $\qquad$ two $\qquad$ or $\qquad$ and 10 $\qquad$ to make a $\qquad$ . Put
the $\qquad$ as a $\qquad$ the $\qquad$ or $\qquad$ as $\qquad$ and shape the
$\qquad$ as a $\qquad$ . Now get a $\qquad$ and put in on the $\qquad$ and put two
$\qquad$ as $\qquad$ Optional: Put 2 $\qquad$ on the $\qquad$ . Now you are done!!!!
