Stinky Socks

First day of school was the _____ Adverb day of my life. Okay here is how it started. I went to my _____ Event class, set down my stuff and change into shorts and a tank top. I went in the gym and found out we have to take our shoes off to do gymnastics! Why is this bad you may ask, Because my feet stick really bad. It is worse than rotten milk mixed with spoiled tuna fish! I started running to jump over the bars. Suddenly, Everyone smelled my feet! "Put your shoes back on!"; _____ First name said. I ran to my locker and sat in front of it. _____ First name came to me telling me not to worry and that she had the same problem! She told me every morning she sprayed the best perfume ever on her feet. She took a little bottle out of her pocket and gave it to me . What's this?"; I asked, "This is the perfume I put on my feet to help the smell go away."; Thanks, I said. i sprayed it on my feet, And went in the gymnasium. "Mmmmm what is that delicious smell?"; "That would be me"; I said. I looked back at _____ First name and exchanged winks. Then it turned out to be a pretty _____ Adverb day!
