The Gift

went to the Store to find his best friend a gift for his birthday. It had to be the best gift in the world. So

he went to the Store to find a gift for his friend. He went to the Noun section to find a gift. He

saw a Past tense verb Animal to unoriginal. There was Uno; everyone had that, not good enough.

But there, a Adjective Adjective Color mini bike. Perfect fit for his friend. It was only!;

Number Name only had Number that could only buy, a Noun bike! ï?? the idea

of a perfect gift was gone!
