WILD ONE!!!!!!!!!!

one day your my asked you if you wanted a glass of liquid and you said sure so you run as fast as you can to the frige and your Noun thought she was going to get you liquid so you both are runing to the frige not knowing that one and other are both going to the same place and then you accidentally hit your Same noun and her glases fall off but she just kepted on Verb ending in ing until your Same noun got there first and could not see but still open the frige and got a can of Adult liquid she gave you the Adult liquid not knowing it was beer because she had no glasses the kid drank it and ... went crazy you were Crazy word that ends with ing everywhere and you slaped your Same noun and ran to the door your Noun tried to stop you but you just kicked him and ran all the way to Location abd never came back THE END.
