my hearts a stereo

My Heart's a
It beats for you so listen close
Hear my thoughts in every note
Oh, Oh
Make me your Noun
And turn me up when you feel low
This melody was meant for you
Just sing along to my stereo

Class Hereos Baby-
If i was just another dusty record on the shelf
Would you blow me off and play me like everybody else
If i asked you to scratch my back, could you manage that
Like if read well, check it Travie, i can handle that
Further-more i apologize for any skipping tracks
Just the last girl that played me left a couple
I used to, used to now im over that
Cause holding grudges over love is ancient artifacts
If i could only find a note to make you understand

Keep me stuck inside your head like your favorite tune
And know my hearts a stereo that only plays for you
Chorus:
My hearts aNoun
It beats for you so <u>Noun</u> close
Hear my thoughts in every note
Oh, Oh
Make me your radio

I'd sing it softly in your ear and grab you by the hand

And turn me up when you feel low		
This melody was meant for you
