My dog Guinness is one Adjective animal. She is always running around my Location with a ton of energy. She usually carries the Adjective stick she can find in the yard around with her and usually ends up Adjective herself. Her name came from Person who says its from the Guinness Book of World Records, but we all secretly know Person named after the beer. Her favorite thing to do is go to the Location in the winter time and run around in the Adjective Adjective snow. She loves the snow so much. When we were little, we would take her on the Noun in the snow. Another thing she can be spotted doing in chasing squirrels up and down Plural noun. She has never caught one, but she won't give up. One time, she jumped up onto the Noun on thanksgiving and almost stole our Noun. My First name was real happy about that. I have known her for Number years now and I love her! She Verb on my bed sometimes, but she is so Adjective that she takes up the whole space. I used to go Verb ending in ing with her, but now she's just Adjective. It could be because she is getting Adjective. Guinness is the Adjective dog ever!
