Girl to a Nerd on Valentine's Day

Dear Andrew, my most Adjective Valentine,

You consume my Adjective thoughts every moment of the day. My Body part skips a beat every time I think of your Adjective smile or the way you whisper Exclamation in my Body part. I think you are even hotter than Name of a person wearing Article of clothing (plural) in Location.

Mere words cannot express the Adjective feelings that I have for you, my darling (Noun).

You are more precious to me than _____ Number _____ Plural noun _____ and I would _____ Verb _____

Your _____ Noun _____ always,

Gabby.
