# Phoebe and Megan are Friends

"What"; my parent's said. I'm \_\_\_\_\_ Name of a person \_\_\_\_\_ and my parents are going to \_\_\_\_\_ Location \_\_\_\_\_ without me and I'm very upset. They said they had a surprise for me. "What!"; I said again. I figured out that I was going to sleepover at my family friends house. I've known her for a \_\_\_\_\_ Number \_\_\_\_\_ Years \_\_\_\_\_ and I like her. She is very nice to me and she has a very good sense of humor. She plays the piano like an expert, and has won many awards. I hope I can have fun at her house. P.S. her name is Phoebe.
