

Adventures in the world of the Bleach anime

1. Noun

Adventures in the world of the Bleach anime

I was up all night watching Bleach when a bad storm hit, and I was hit with a massive piece of wood and went into a coma. When I awoke the next day, I wasn't in my house anymore. I was in a world where I was surrounded by figures in a strange place. I winced as pain filled my whole body, that was when I found that I was in _____Noun_____different world.
