# Guest Libs Wedding Edition

My name is           Proper noun          . I           Past tense verb           all the way from           Proper noun           to celebrate this day. I am so           Adjective           that Corey and Lauren have tied the knot! They have to be the most           Adjective                     Noun           and I wish them           Adjective                     Noun           for the years to come. MY BEST ADVICE? Don't forget to           Verb           before you           Verb           and           Verb           after the           Noun          . Lauren, you should always           Verb           Corey's           Noun           and Corey, you should always           Verb           Lauren's           Noun          . I wish you a lifetime of health, happiness, and           Adverb                     Noun          .
