Visit to the Jupiter Lighthouse

When I went with my family to see the Jupiter Lighthouse We _____
can see an _____ view of the Jupiter _____ from there! There is a light called a Fresnel Lens
that can be seen from the _____ at night and would let ships know when they were close to land. This
prevented many dangerous _____. There are people called Keepers who _____ for the
lighthouse and would make sure that the light was working in the tower. It was such a _____ trip.
When we came down we saw the Tindall House exhibit. It was a _____ pioneer style house. There was
even a museum with lots of _____ historical facts about the history of the area and the _____
_____ Indians that lived here before the white settlers came. There was even a World War _____
exhibit. I never would have _____ that this area had such an _____ and _____
history. I can't wait for my next visit to the Jupiter Inlet Lighthouse and Museum!
