# Visit to the Jupiter Lighthouse

When I went with my family to see the Jupiter Lighthouse We \_\_\_\_\_  
\_\_\_\_\_ all the way to the top! You  
can see an \_\_\_\_\_ view of the Jupiter \_\_\_\_\_ from there! There is a light called a Fresnel Lens  
that can be seen from the \_\_\_\_\_ at night and would let ships know when they were close to land. This  
prevented many dangerous \_\_\_\_\_. There are people called Keepers who \_\_\_\_\_ for the  
lighthouse and would make sure that the light was working in the tower. It was such a \_\_\_\_\_ trip.  
When we came down we saw the Tindall House exhibit. It was a \_\_\_\_\_ pioneer style house. There was  
even a museum with lots of \_\_\_\_\_ historical facts about the history of the area and the \_\_\_\_\_  
\_\_\_\_\_ Indians that lived here before the white settlers came. There was even a World War \_\_\_\_\_  
\_\_\_\_\_ exhibit. I never would have \_\_\_\_\_ that this area had such an \_\_\_\_\_ and \_\_\_\_\_  
history. I can't wait for my next visit to the Jupiter Inlet Lighthouse and Museum!
