# Haunted House

It was an \_\_\_\_\_ Friday night. Tommy and his friend's were all wandering the streets when a tall, bulky \_\_\_\_\_ started to follow the kids, so \_\_\_\_\_ ran as fast as their legs could let them until he was out of their sight. The now sweating boys came upon a dark and mysterious \_\_\_\_\_. Billy, the shortest of them all and nerdy looking, told them that they should go home, but they didn't. Instead Jake and \_\_\_\_\_ dared Tommy to go up to the house. "But it's haunted"; groaned Tommy. Tommy tried to turn around, but the two boys \_\_\_\_\_ dragged him him up to the \_\_\_\_\_ steps. Tommy reach out a shaking hand and \_\_\_\_\_ on the door. It \_\_\_\_\_ flung open, but no one was at the door. He slowly stepped inside and the door slammed shut behind him. Now shaking from head to toe Tommy walked into the house. Four hours later and \_\_\_\_\_ friends were outside waiting for him to return, but he never did. They began to worry and their fear increased as they heard a scream from inside the house. The three boys \_\_\_\_\_ away screaming and as for Tommy he was never seen again.
