## farting day

| this is this girl and she just loved farting so one daysaw one of her friends and she farted right in         |
|---|
| front of them and "she said"; did you just fart because you really stink and you need some powder maybe i     |
| should have not came over here because you smell like stinky fart and you are a horrible person i am going to |
| tell all of yournot to come over yourbecause you farted andnot  |
| even say exuse me so you are so nasty and stinky and soand smelly just stay away from me and                  |
| my friendsi don,t want them to think i am friends with a girl that farts in front of people that is so        |
| nastycall me or talk to me or talk to me when i am talking to my friends to so ha you are a nasty,            |
| stinky,smelly little girl stay away from me ok ha!!   |
