# Dace's Baby Shower

Dace and Eric are about to welcome their adorable bundle of joy into the world. Dace is very excited to have this addition to their           Noun          . Eric is           Noun          . Like a true stereotype Eric does not know what a baby           Noun           and he has never thought about kids before in his life. Dace has been dreaming of this moment since she was a child. Eric plans to pick the child up and shake it everyday, to wake it up. Dace has spent the last 9 months explaining to Eric that you should not shake the baby. We'll see if he ever learns.
