Happy birthday

Dear First name

So, This may be Adjective News to you, but I am your sister. That means I have to stand you for
Number Years. You are lucky, that you have SUCH a Adjective sister like me. We Share A lot of
Adjective Memories. Kind of. Now your Number years old. WOW. You cant Legally be
Verb yet, but no one is going to really stop you. You will be out of the house in Number year(s).
That makes me Adjective. No More Stealing Hersheys kisses from the jar that sarah gave you, or
laughing over funny prank calls. But your not gone yet. And that makes me Adjective and makes you
Adjective. I dont know how long it took you to become Number but it felt like Number
years. Well, Happy Birthday!

P.s. The one eye popping out of the birthday glasses gives them Adjective. Swaggerific!
