# Dunkin Donuts Song

And Adjective goes the Adjective

Dunkin Donuts

where the Animal and Animal Adjective on the First name

where the Location are Noun

and where the Adjective is Adjective all day

you won't get a deal

even if you think you will

you will be charged for a donut times Year

if your Animal Name of a person

don't

expect to get it

because the people in there

will simply           Noun                  Noun          

so go on to your           Adjective          dunkin donuts

where the           Animal          and           Animal          Adjective          on the           First name          .
