super women

Once upon a time there was a First name. First name didn't know she had powers . First
name powers were : Super powers, Super powers vision , Super powers Super powers,
and more ... but she used her Super powers for good things only . She didn't like to be a Bad person
or a Bad person. one morning she woke up and she turned on the A t.v. show and there was a
A type of robbery robbery and he did bad things . the A important person didn't catch him . so she used
her Super powers Super powers Super powers Super powers, and she caught the
Bad person. he tried to get away many times ... he never escaped because the women put the invisible
rope on him . he got out of jail . he planned to be good . he wanted a girlfriend so he asked many First
name. but the one he really wanted was the super First name so when First name was sleeping
he caught her and made her marry him . he took all of First name powers away . one dasy she tried to go
in his To put something in like a box or a backpack and get her powers back . he caught her and did bad things to her .
no one helped because they lived far Location. so no one knew about this . one day she got in his
To put something in like a box or a backpack and got her powers back befor he caught her . she was so happy . she got
him and got the A important person and made sure he didn't ever get out of Location. AND THATS
THE END OF SUPER First name!!!
