# Joe's Candy Shop

was living on the street and had no Noun. The only thing he was good at was making candy. He made

Adjective candy Adjective candy even Adjective Noun he would sell it for

Number each. One day a Noun bought a piece of First name Noun and loved it.

The Noun wanted to buy First name Noun and make it a Noun

Conjunction First name said "No way Jose"; Conjunction the man walked away.

The Noun came back the next day Conjunction said "Can I please Verb your

Noun and sell them for more than you Adverb would Verb them. If you let me buy

them you'll be Verb in Adjective;

"Fine I guess you can Verb my Noun as long as I get Number of the profit."; said

First name.

The next day the Noun Verb First name a Adjective shop on the corner that used

to be a barber Location that had Verb out of Noun. First name and the man

Verb up the place Conjunction Verb it every child's delight.

One day First name had a sale on the Adjective sours which Verb in a lot of customers.

That day they Verb Number just from the Adjective sours. First name stopped

Verb on

the           Noun                     Conjunction           got a           Adjective                     Noun           all thanks to the           Noun           shop.

That day           First name           thanked the           Noun           for           Verb           him turn his           Noun           into a           Noun          .
