The boy (who is really annoying)

There is a certain evil Adjective haired boy. He throws Plural noun at my head. He wears black Adjective NIKE clothes. He giggles like he is in charge of the Noun. He laughs when you miss a hit with your tennis Noun. His name is most Adjective to pronounce. A great nickname for him is devil child. He throws tennis-balls over the Noun. I hope he runs away in fear, for if he doesn't leave, I might have to tie myself to a Noun so I don't Present tense verb him. But he would 'said' word Onomatopoeia And I would yell MWA HA HA HA!
