My First Day at the Zoo

I was on a trip to the zoo! the _____^{Animal} ride here had to be the longest ride in the universe of _____^{Animal} rides. first i went to go see my favorite animal, leopards. they roared in my face like crying babies with a poopie dipper! next i went to visit the polar bears. the papa was the biggest animal i probably had ever seen in my life! however the baby polar bears had to be the smallest!

It was finally _____^{Verb} time. i had fried _____^{Noun} which was _____^{Noun} on the inside and crispy on the _____^{Noun}. yummy in my _____^{Noun} the last thing i did at the zoo was go to the _____^{Event} _____^{Event}. i looked around for a billion years, until i found what i wanted! a _____^{Noun} _____^{Noun} baby stuffed _____^{Noun}. i loved my first trip to the zoo, i hope i could come back soon!
