The Catcher in the Rye

I've _____
because I used to _____
_____trouble finding that lagoon that night. I knew right where it was--it was right near
_____and all--but I still couldn't find it. I kept _____
_____and _____ and it kept getting _____and _____and
_____. I didn't see one _____the whole time I was in the park. I'm just
as glad. I probably would've _____about a mile if I had. Then, finally, I found it. What it was, it
was partly frozen and partly not frozen. But I didn't see any _____around. I walked all around the
whole lake--I nearly fell in once, in fact--but I didn't see a single _____. I thought maybe if there were
any around, they might be asleep or somethign near the edge of the water, near the grass and all. That's how I
_____fell in. But I couldn't find any.
