Tierra's Titties

There once was a Adjective girl named suzy. She had a friend named Tierra who had the best Plural noun in the whole kingdom. Tierra was known to every Guy/girl as the mayor of their Location. They claimed the new city's name was Tittie City. Suzy was not down for that shiznit so she tried to Verb into Tierra's house while she was sleeping and take a chainsaw to the plural noun but Tierra's defense shield that was placed in her plural noun when she was 16 woke her and Past tense verb her. Then Suzy noticed there was a little Noun on the bottom of the right tittie so she dug her hands in and pulled out the defense shield but Tierra was quick to defend herself and threw that bitch out the Noun. No one can Verb Tierra's plural noun.
