Rons Stress

Ron was a 14 year old boy who lov	ed to be active and hang	g out with his	Plural noun .	One day while
playing soccer the	bully Rufus kicked him	in the Noun	very hard. F	Ron fell down in pain
. From then on Ron was very	Adverb of Rufus and	would get very	Adjective	whenever he saw
him. He would go home from	Location different wa	nys, not go near hir	n at recess and	make sure that he
was never alone with Rufus. Rons 1	mother saw that he was	acting very	djective beca	use he was not
very much a	nd would stay in his	Location by h	imself most of	the day. She wanted
to help him but she did not know w	hat was wrong. She ask	ed his teacher if sh	e knew what w	as bothering him
and the teacher told her about the ir	ncident. After finding ou	ıt about what had l	nappened Rons	mom went to talk to
Rufuss parents about what had happ	pened. They felt very	Adjective and	l explained that	
Rufus had come to them because he	e felt veryAdjective	about kicking	Ron and that it	was an accident but
whenever he went to Ron to apolog	rize Ron wouldver	away. After	hearing both si	des of the story Ron
and Rufus became friends and were	e able tol	ots of soccer toget	ner again.
