3. Noun _____

the work out story

i have been working out for quite sometime. I have not begun to get bigger bulges on certain parts of my body. Last week my car broke down and i needed to somehow find i way home and of course it was _____Noun_____. So i just all of a sudden turned to the side and poof it was a taxi coming to get me, i realized it was because i was _____Event_____a very thin pair of Khakis. I guess you could call them the Kristen's favorite, she once grabbed my package only a few weeks as i worked here at the BIG _____Noun_____. Well now it has been i would say 8 weeks since my first and only work out, and i am now wearing a petite outfit when i work out.
