spider-man

there once was a man named spider-man he was a guy (not name of a person) liked to eat pizza. one day
venom came and stole his 452 pizzas. spider-man could not let him do that, so he... went on the ground and started
crying "please give me my pizzas"; he if you would just be quiet and i may consider bringing your pizzas back.
spider-man was quiet he went home with his 452 pizzas and lived happily ever after.
