# Kayla's 7th Birthday Party

One Sunday morning I was getting dressed to go to my friend's Kayla's birthday party. I knew it would be so much Adjective. However I realized I forgot to get a Noun. I went to the Noun to buy her a Adjective gift. Then I asked my Noun to drive me there. When I got to the Event I could not believe my eyes. Kayla was dressed as a Noun. She had Adjective skin and Adjective eyes. She wore a funny Noun. I ran up to her and said hello. She Verb and Verb up and down then Verb into a bounce house. I did not know what was going on. So I Verb after her only to find a Noun bouncing up and down. Then Kayla Verb and climbed up the Noun with a Noun. This Event was very very Adjective. Soon after First name Noun brought out a Noun that looked like an Noun. It tasted like a Noun. I ate it all up. That is when Kayla started out woohoo and then danced and leaped. Mom said we had to go so we got on a hotdog and rode home. I still have a picture of that crazy day. Hope you had a great time at Kayla's party! Thank you so much for coming!
