ellie's song

Iâ??m lost in her there holdinâ?? that pink Gun and Animal

Sheâ??s doinâ?? almost everything but sittinâ?? still

Talkinâ?? â??bout her ballet shoes and kettle bell

And her Kitten {meow}

And she thinks weâ??re just Shootinâ??

I say, â??AJ loves you, babyâ?? one more time

She says, â??I know. I think I got to KISS YOUâ??

And all this laughinâ??. cryin, smilinâ?? dyinâ?? here insideâ??s

What

I call, livin'??

And she thinks we're just shootin' on the riverside

AJ , Preposition she is a good cook and what she could fry

Drowling and killin' time

something really ambitious

She is thinkin' 'bout

What's really goin' on right now

But I guarantee this memory's a big 'in {she hopes}

And she thinks we're just shootin'?

She's already pretty, like my BB GUN is

Gonna drive the boys on the shootin range all crazy

Give her BIG Daddy fits

And I better do this every chance I get

'Cause time is tickin' { SHE IS GOING TO AUSTRILA SOON }

(Yeah she is)

And she thinks we're just Verb on the riverside
