# I Love Shih Tzus

Shih Tzus are the best dogs on Planet. Here are a Number reasons why:

1) Shih Tzus love to play! They will bring you thier Noun rope, their stuffed Animal toy, and thier bouncy Noun. You will need to play with them for at least Number hour(s).

2) Shih Tzus love children. They will always play with them, which is Adjective. Shih Tzus like Adjective children, but they don't do good with Adjective children.

3) Shih Tuzs love to be the clown of the family. They will do Adjective tircks, and play Adjective games. They are Adjective so they know how to entertain you. If your Shih Tzu doesn't like being Adjective then you haev a(n) Adjective Shih Tzu.
