With a big smile on my
And it neverout of place
And you're still probably working

At a nine to five pace
I wonder how bad that tastes
When you see my face

Hope it gives you hell

When you walk my way
Hope it gives you hell
Hope it gives you
Now where's your picket fence love
And where's that shiny car
And did it ever getfar
Youseemed so tense love
I've never seen you fall so hard

Do you know where you are

Andbe told I miss you
And truth be told I'm
When you see my face
