6. Number
7. Number
8. Number
9. Favorite Beer

# My Mission Statement

As an Business employee I vow to be the hardest Verb ending in ing Animal. I will wear Color shirts on Event and strive to live up to the Lominger postive character traits on page Number and not display the negative traits on page Number. I promise to find Number bugs with each build as long as a keg of Favorite beer is provided once in a while.
