Dreaming

One morning, I awoke to a strange sound. There it was! A _____ Animal _____ was chewing my toe! I let out a scream and rolled out of bed. I walked down the hall into my mom's room. She was sleeping. I went over and tried to wake her, but it was no use. Then, I went to the bathroom to pee. I noticed I was pissing candy canes! Fuck! I yelled. My butthole started vibrating. It was my phone! I had been dreaming the whole time!
