The Human Animal.

It was a cold night as Jimmy sat up in bed eating cold _____^{Food}_____and drinking _____^{Liquid}_____. Suddenly Jimmy heard a loud _____^{Noise}_____come from downstairs, he got out of bed grabbed the _____^{Weapon}_____from under his pillow and tiptoed down the stairs. In the hallway he saw a piece of wood he walked around it quietly and peeked into the livingroom, there right in front of him stood a _____^{Animal}_____holding a _____^{Weapon}_____and a _____^{Small object}_____. Jimmy ran back up the stairs leaped over his bed, opened his window and shouted "HELP!"; But there was no response. Jimmy heard the _____^{Same animal you used above}_____running up the stairs he made the quick decision of climbing out of his window. Once his _____^{Body parts}_____were dangling out the window he looked down and it seemed higher than he imagined and seemed a bad idea but it was too late now he was holding onto his windowsill and could hear the heavy breathing of the _____^{Same animal you used above}_____in his bedroom.

He let go. It seemed as if he closed his eyes and when he opened them he realized that he had landed on a _____^{Noun}_____. His _____^{Body part}_____was in pain but he knew he needed to find help. Jimmy started running and when he looked back, to his horror he saw the _____^{Same animal you used above}_____standing in his front doorway, staring him in the eye with a blank expression on its face. The _____^{Same animal you used above}_____started sprinting after Jimmy. Jimmy already felt like giving up but in his last attempt to get away he grabbed a _____^{Small object}_____from off the road as he ran and threw it behind him at the _____^{Same animal you used above}_____it hit the _____^{Same animal you used above}_____in the face, the _____^{Same animal you used above}_____tumbled and fell. Jimmy felt relieved

so

he sat on a bench closed his eyes and started trembling uncontrollably as his mind contemplated on what just happened. Just then Jimmy felt a tap on his shoulder he turned round and his heart stopped as he saw an 8 foot tall _____ *Animal* _____ stood upright , it raised its foot, Jimmy jumped off the bench as the foot smashed it into splinters.
